

Eric Christ

City Council Post 2 Candidate Peachtree Corners

Eric Christ has been a resident of Peachtree Corners since 1998, and lives in the Neely Farm subdivision with his wife, Maureen McIvor, and their two daughters, Kiernan (a junior at Norcross High) and Moira (a seventh grader at Pinckneyville Middle).

His ties to Peachtree Corners date back to 1982 when Maureen's parents bought a home in the (then) new subdivision of Peachtree Station and Maureen went on to graduate from "old" Norcross High School. Eric's family are active members of All Saints Catholic Church in Dunwoody and the Fowler YMCA where Maureen is a fitness instructor.

Eric has served as Vice Chairman of the Zoning Board of Appeals for the City of Peachtree Corners since the city's founding. The ZBA meets monthly to review zoning code variance requests from city residents and business owners.

Eric has been the announcer for the Neely Farm Mighty Mallards Swim Team for the last five years and for several years he was the starter for swim meets at the Fowler YMCA.

Eric's 25-year business career features senior management and marketing roles with several Georgia-based information technology companies, including McKesson Corporation in Alpharetta. Eric is currently the CEO of PracticeAdmin with responsibility for operations of the company. PracticeAdmin is a provider of practice management software to medical billing companies and medical practices. The company's offices are on River Exchange Drive, off Holcomb Bridge Road.

Eric is a member of the board of directors of the Healthcare Administrative Technology Association trade group and of the Atlanta Technology Executive Roundtable industry association. He also served a two-year term as a board member of the National Association for the Support of Long-term Care trade group.

He has a MBA from the Goizueta Business School at Emory University, where he was a Robert Woodruff Fellow. He also holds a Bachelor in Business Administration with a double-major in marketing and international management from Georgetown University.

Eric is active in the health care, electronic commerce and Internet industries as an author, speaker, and contributor for such organizations as the National Committee on Vital and Health Statistics and the College of Healthcare Information Management Executives.
