FOR IMMEDIATE RELEASE

Burger King Unveils Newly Renovated Restaurant *Upgrades include Interior and Exterior Improvements*

PEACHTREE CORNERS, GA, Aug. 12, 2014 – City leaders were on hand Tuesday to help a local Burger King celebrate its newly renovated restaurant.

The Burger King store located on the corner of Peachtree Industrial Boulevard and Medlock Bridge Road just received a major facelift. The five-week project included interior and exterior improvements and major upgrades to the kitchen, dining room and seating areas.

New landscaping, roofing, façade and signage improvements were also made to the Peachtree Corners restaurant.

“They’ve done a really nice job with the remodel,” said Mayor Mike Mason. “I’m sure the Burger King customers will appreciate the work that went into the renovations.”

This location, along with 45 other locations in the metro area, is under new ownership. Burger King announced it will be offering a past favorite, “Chicken Fries” for a limited time. Customers will find a new item on the menu - a Turkey Burger, a frozen Coke machine and a drink machine that dispenses over 100 drink options.

“We are very excited to open with a fresh new look and the relaxing interior,” said Alisha Wisham, the restaurant’s general manager.

Burger King is located at 5325 Peachtree Industrial Boulevard, Peachtree Corners, 30092, telephone 770-447-8323.
