FOR IMMEDIATE RELEASE

## Senior Living Center in Peachtree Corners Set to Open in late May

**PEACHTREE CORNERS, GA. February 13, 2015** – An aging-in-place facility is one residential component that’s been missing in Peachtree Corners. But that need will be filled within a few months with the opening of Noble Village Senior Living Center on Spalding Drive.

The facility, expected to open the end of May, will offer cottages, apartments for independent living as well as assisted living for up to 200 residents age 55 and over.

It’s welcome news for the city which had identified a need for housing for its aging population of empty nesters and retirees.

“We were especially lacking in good retirement housing,” said Mayor Mike Mason during a reception Thursday at the Noble Village facility which was debuting its latest in residential choices, its free-standing patio homes. “That’s why Noble Village is an important addition to Peachtree Corners. You address not only a need for our aging population, but for our city in particular.”

One of the fastest segments of the city’s population is those over 65 – and that age group is expected to grow by over 50 percent in the next 20 years noted the mayor. That fact has huge implications on the city’s plans for housing, transportation, parks and creating a pedestrian-friendly community.

Noble Village is within the Livable Center Initiative study area where work are underway to develop a plan for a central business district and town center, which will essentially be the design for the heart of the city.

“We are excited about this project and for the opportunity to open our senior lifestyle community in the city of Peachtree Corners,” said Julie Amerson, Community Relations Director for Noble Village.

Noble Village is located at 5701 Spalding Drive, Peachtree Corners, GA 30092. For more information: call 770-416-0502, or visit [www.noblevillage-spalding.com](http://www.noblevillage-spalding.com)
