FOR IMMEDIATE RELEASE

IT Company Locates Headquarters in Peachtree Corners

PEACHTREE CORNERS, GA, Jan. 13, 2015 – [Gwinnett Chamber Economic Development](#) announced today that 5Q Partners, an IT services company, has chosen Peachtree Corners' Technology Park to locate its headquarters.

5Q's new headquarters will be located at 6200 The Corners Parkway in [Peachtree Corners](#) in the heart of the 500-acre Technology Park, home to more than 7,000 technology professionals.

"Technology Park was created to offer a supportive environment for technology companies to build and grow," said Peachtree Corners Mayor Mike Mason in a release. "5Q Partners' decision to start up in Peachtree Corners reaffirms Peachtree Corners' long history of innovation and success. We welcome 5Q Partners to the community."

This announcement is the latest in a number of recent business wins for the city. Within the past 11 months three international companies have re-located their headquarters in Gwinnett County's newest city bringing hundreds of new jobs.

"This community has always been a hub for growing and expanding technology companies as well as a central meeting spot for our company's founders," said Trey Eiland, one of 5Q's four founding partners. Eiland said the Peachtree Corners location will enable the company to develop new products, expand its capabilities as well as reach new markets.

5Q Partners, which has an established business base in Gwinnett County, is a spin off of Wells Real Estate Funds. The company offers outsourced IT leadership and operations, business/IT alignment and tactical assessments, as well as integration projects. Visit www.5QPartners.com for more information.
