Specialty Men's Salon Opens at The Forum

PEACHTREE CORNERS, GA, Jan. 25, 2018 – Men's salons offering high-end services such as hot-towel facials, scalp treatments and coloring services have become popular in the men's grooming industry. Now there is one to serve Gwinnett's largest city.

The 18/8 Fine Men's Salon, located in The Forum shopping center, has just opened and offers haircuts by professional stylists and barbers. The salon also provides grooming advice and tips along with an array of styling services.

Located just a few doors down from the Atlanta Bread Company, the salon has a full range of services such as hair coloring, grey blending, scalp treatments, beard trim, head shave and straight shaves. Services are provided in semi-private stations.

The Peachtree Corners location is one of a number of 18/8 franchises throughout the country. Co-founded by Ron Love and Scott Griffiths in the early 2000s, the first salon opened in 2003; today there are over 90 locations across the country.

"It's a pleasure to welcome 18/8 Fine Men's Salon to our city," said Mayor Mike Mason, during a ribbon-cutting event held Jan. 18, to celebrate the new business. "Peachtree Corners continues to draw successful businesses like 18/8, we wish the salon great success."

18/8 Fine Men's Salon is located at 4880 Peachtree Corners Circle, Peachtree Corners, GA 30092, telephone: 678-330-2824. More information is available on the salon's [website](#).
