

The first of two public meetings for the Peachtree Corners Comprehensive Transportation Plan (CTP) was held in Peachtree Corners City Hall on Thursday, August 11, 2016 at 6:00pm. The purpose of this meeting was to introduce the CTP process, present key findings from an analysis of existing transportation conditions, and engage the public in activities to prioritize goals and identify areas of need in the City.

Sign-in sheets from the meeting are provided in **Attachment A**. As attendees arrived at the meeting, they were given a fact sheet and comment form, both of which were available in both English and Spanish. These handouts are provided in **Attachment B**. All attendees were also provided a set of dots, for use in an activity which is described below.

The meeting began with a presentation (provided in **Attachment C**) by Eric Lusher, the consultant's (Pond) project manager. This presentation was developed primarily to introduce the public to the CTP process and explain initial findings.

After the presentation, members of the public were encouraged to provide input through two separate "dot" exercises. In the Goals Exercise, participants were presented with the seven draft goals of the CTP. They were able to indicate which goals they considered to be most important with five green dots which they could distribute any way they wished (i.e. placing all five dots on a single goal, placing three dots on one goal and two on a different goal, placing a single dot each on five different goals, or any other configuration). The results of this exercise is shown below in **Table 1**. In addition, the boards themselves with dots are provided in **Attachment D**.

Table 1 Goals Exercise Results

Goal	Placed Dots
Identify transportation projects and policies to improve transportation safety	22
Prioritize asset management and maintenance of the existing transportation system	18
Use the City's transportation system to maximize economic development opportunities	30
Make transportation decisions that improve the quality of life in the community	42
Consider projects that enhance and protect the City's natural and cultural environment	26
Accommodate all users of transportation	17
Leverage technology as a mechanism to improve the transportation system	34
Facilitate east-west movements across Peachtree Corners	24
Other	2

In the Needs/Problem Areas exercise, attendees were presented with a street map of Peachtree Corners. They were again provided five dots, which they were asked to place on areas where they saw a need for improvement in the transportation system of Peachtree Corners. The maps with dots are included in **Attachment E**. The following are some of the most frequently indicated locations:

- Spalding Drive at Holcomb Bridge Road
- Spalding Drive at Peachtree Parkway
- Medlock Bridge Road at Peachtree Parkway
- Medlock Bridge Road at Peachtree Industrial Boulevard
- Peachtree Parkway at Jimmy Carter Boulevard and Peachtree Industrial Boulevard
- Peachtree Corners Circle at Peachtree Parkway
- Winters Chapel Road at Peachtree Industrial Boulevard
- Winters Chapel Road at Spalding Drive

Meeting Handouts

What's Happening?

The City of Peachtree Corners has begun a **Comprehensive Transportation Plan** to guide transportation improvements and investments in the city. The Plan will consist of recommendations for transportation improvements to maintain and expand the City's infrastructure while fostering a healthy, livable city. The plan will consider:

- Intersection improvements
- Roadway widenings
- Sidewalks
- Bike facilities
- Trails
- Transit

How to Get Involved:

To improve our efforts, we would like to get input from **YOU**, those who live, work, shop and choose to unwind in Peachtree Corners. There are several opportunities to help us shape this Plan, and your participation in any or all portions will help strengthen the Plan to move the city through the next 20 years. Please **see the website listed below** for opportunities to get involved.

www.peachtreecornersga.gov/CTP2016

Public Meetings:

Public meetings for the Comprehensive Transportation Plan will be held at:

Peachtree Corners City Hall
147 Technology Parkway
Suite 200

Kickoff Public Meeting

Thursday, August 11, 2016, 6-8pm

This meeting will introduce attendees to the planning process. Attendees will help guide the plan's priorities and goals in an interactive setting.

Review Public Meeting

Thursday, November 17, 2016, 6-8pm

At this meeting, the plan team will present the preliminary results of the planning process and give attendees an opportunity to comment on recommendations.

Online Survey:

Please take our **online survey** about transportation in and around Peachtree Corners. **Share** the following link with anyone who lives, works, shops, or relaxes in Peachtree Corners.

www.surveymonkey.com/r/PTCorners

Goals

Please indicate any new **goals** you would like to see included, or any other comments you have on the **goals** activity.

Problem Areas/Needs

Please indicate any specific **problem areas or areas of need** you would like to see included, or any other comments you have on the map-based **problem areas or areas of need** activity.

Other Comments

Please indicate any other comments you have for the City and consultant team about the Comprehensive Transportation Plan.

Que está pasando?

La Ciudad de Peachtree Corners ha iniciado un Plan de Transporte Extenso para guiar mejoras en el transporte y las inversiones en el ciudad. El Plan constará de recomendaciones para mejoras de transporte para mantener y desarrollar la infraestructura de la ciudad mientras alimentando una ciudad saludable y habitable. El plan tomara en cuenta:

- Mejorias en las intersecciones
- Ampliara las carreteras
- Banquetas
- Instalaciones para bicicletas
- Veredas
- Tránsito

Comó participar:

Para mejorar nuestros esfuerzos, nos gustaría tomar en cuenta la participación de usted, los que viven, trabajan, compran y eligen relajar en Peachtree Corners. Hay varias oportunidades que nos ayudan a formar este Plan y su participación en cualquier o todas las partes ayudarán a fortalecer el Plan para guiar a la ciudad los próximos 20 años. Por favor, vea la parte inferior y el sitio web que aparece en la parte de abajo para oportunidades y maneras de ser incluidos.

www.peachtreecornersga.gov/CTP2016

Reuniones Públicas:

Reuniones públicas para el Plan de Transporte Extenso se llevará a cabo en:

Peachtree Corners City Hall
147 Technology Parkway
Suite 200

Reunión Pública Inicial

El Jueves, 11 de Agosto 2016, de 6 a 8 pm

Esta reunión se introducirá a los presentes el proceso planificación. Los presentes podrán ayudar a guiar las prioridades del plan y los objetivos en un entorno interactivo.

Reunión Pública para Opinion y Revisar

El Jueves, 17 de Noviembre 2016, de 6 a 8 pm

En esta reunión, el equipo consejero presentará los resultados preliminares del proceso de planificación y ofrecerá a los presentes la oportunidad de comentar recomendaciones.

Encuesta en la Red:

Por favor, tome la encuesta de transporte dentro y fuera de Peachtree Corners. que se encuentra en la red. Comparte el siguiente enlace con cualquier persona que viva, trabaje, tenga tiendas, o relaje in Peachtree Corners.

<https://www.surveymonkey.com/r/PTCornersES>

Metas

Por favor indique cualquier metas nuevas que le gustaría ver incluidos, o cualquier otro comentario que tenga sobre la actividad de metas.

Las Áreas Problemáticas/Necesidades

Por favor, indique las áreas con problemas específicos o áreas de necesidad que le gustaría ver incluidos , o cualquier otro comentario que tenga sobre las zonas o áreas indicado en el mapa o en la actividad de áreas con necesidades.

Otros Comentarios

Favor de indicar cualquier comentario que tenga para el personal de la ciudad y el equipo consultor sobre el Plan Integral de Transporte.

Comprehensive Transportation Plan

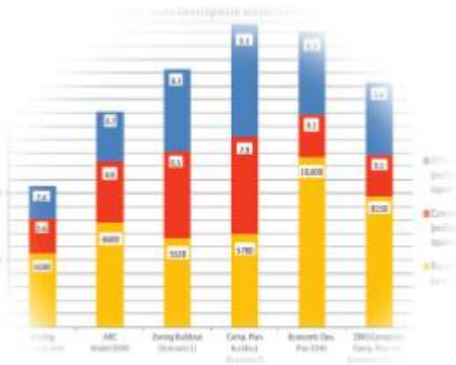

Community Meeting #1
August 11, 2016

AGENDA

- PRESENTATION
 - What is a Comprehensive Transportation Plan (CTP)?
 - Existing Conditions Analysis
 - Previous Studies
 - Demographics & Census Data
 - Transportation System Data
 - Community Survey
 - Next Steps
- OPEN HOUSE
 - Goals and Vision
 - Transportation Needs

WHAT IS A “CTP”?

An analysis of all applicable modes of transportation to determine existing and future needs, identify solutions, and prepare an implementation plan.

Analysis & Data

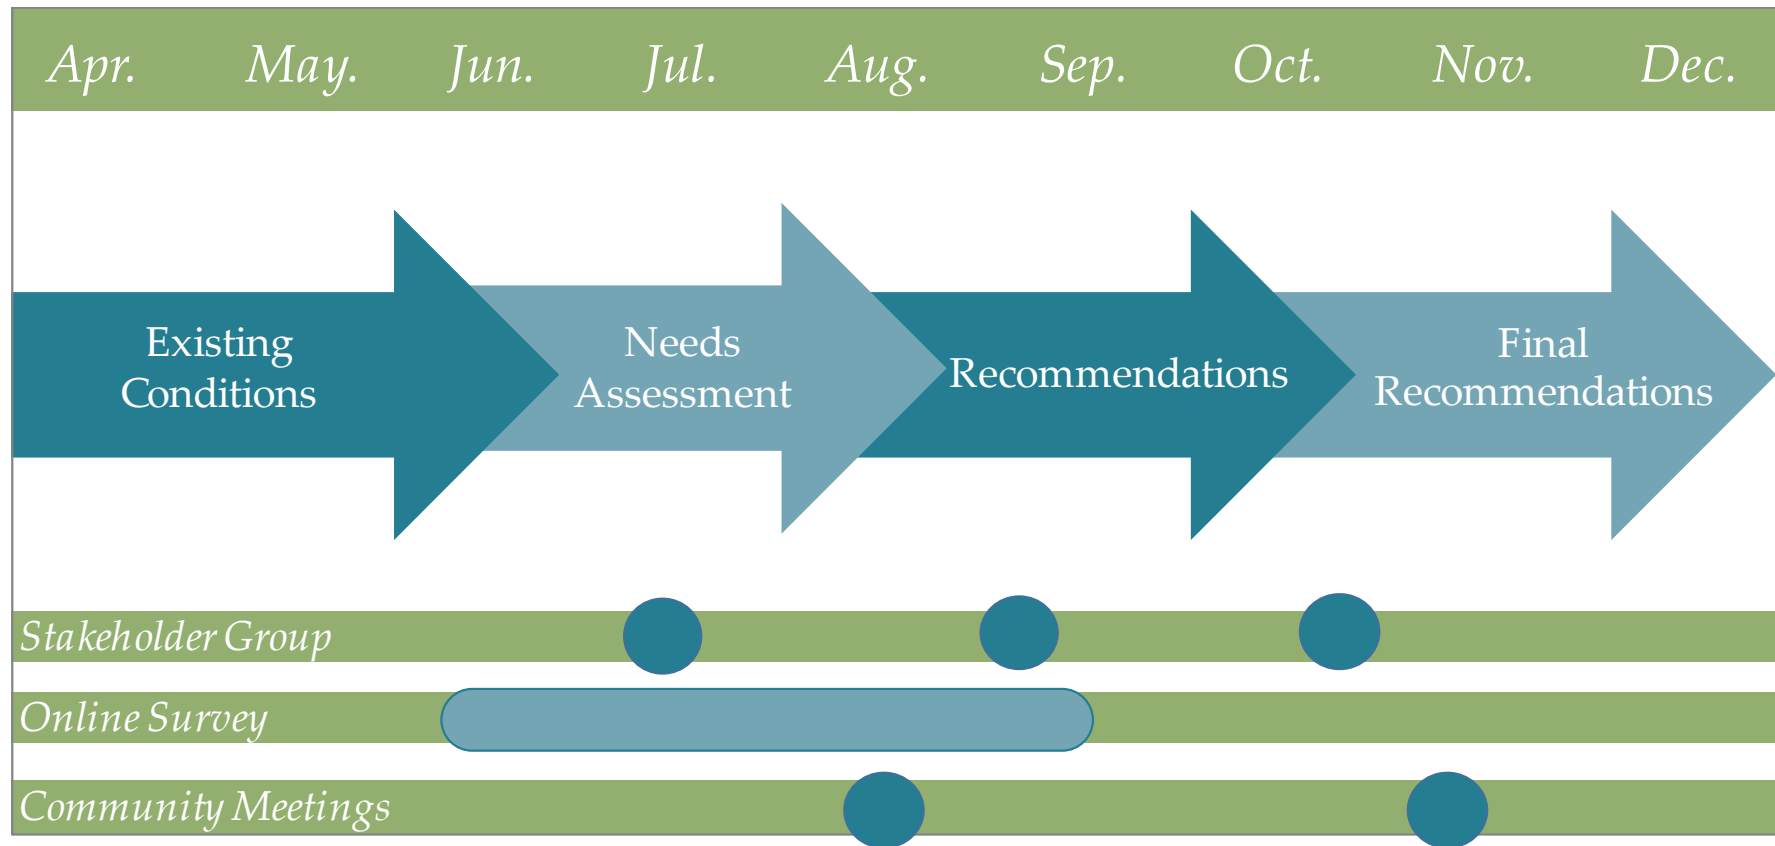

Previous Plans

Community Engagement

WHAT IS A “CTP”?

WHAT IS A “CTP”?

City of Peachtree Corners Elected Officials

Adopt plan and set policy

City of Peachtree Corners Staff

Provide insight on transportation issues and facilitate community engagement

Stakeholder Group

Help guide study team in decision making and community outreach

General Public

Provide insight into community goals, needs, and desires

Pond (consultant team)

Perform technical analysis, engage community, advise community, prepare plan
