FOR IMMEDIATE RELEASE

Local Sign Company Relocates to Peachtree Corners

PEACHTREE CORNERS, GA, May 20, 2016 – FastSigns opened its doors eight years ago in a nearby city and recently relocated to Peachtree Corners. To celebrate, the business held a ribbon-cutting event at its new Jimmy Carter Boulevard location on Thursday, May 19.

Owner Ben Wilson decided to do more than just cut a ribbon – he and his staff began a drive to collect non-perishable food donations to benefit the children of two local schools.

“About 90 percent of the local school children participate in free or reduced lunch programs, which makes summer the hungriest time of year,” said Wilson. “With the community’s help, our goal is to help feed between 1,000 to 1,500 children this summer.”

The food items collected were delivered to Peachtree Elementary and Summerour Middle School for distribution.

Wilson has operated his sign business for the past eight years, and in Peachtree Corners since February. His business provides graphic design service, production, delivery and installation of a wide variety of signs including exhibit and displays and digital signage.

“We’re extremely pleased to welcome FastSigns to the Peachtree Corners business community,” said Mayor Mike Mason. “Mr. Wilson already has a track record of success, now that he is located in Gwinnett County’s largest city, I’m sure his business will continue to flourish.”

FastSigns is located at 6760 Jimmy Carter Boulevard, Peachtree Corners, GA 30071; Find additional information on the [website](#).
