In order to assure that Bidders receive all addenda and or clarifications to the bid documents in a timely manner, it is highly recommended that all bidders obtain at least one complete set of Bid Documents directly from the Engineer. Entities that do not purchase Bid Documents from the Engineer will not be on the Engineer's plans holder list and will not receive addenda and or clarifications to the bid documents directly from the Engineer. Bidders relying on plans rooms or other services to obtain the Bid Documents, rather than purchasing them directly from the Engineer, are doing so at their own risk.
