FOR IMMEDIATE RELEASE

Councilmember Sadd Schedules Town Hall Meeting for January 21

PEACHTREE CORNERS, GA, Jan. 14, 2020 – Post 1 Councilmember [Phil Sadd](#) is hosting a town hall meeting on Tuesday, January 21 at 7:00 p.m. at Winters Chapel United Methodist Church, 5105 Winters Chapel Road.

Issues to be discussed include:

- Spalding Drive Widening and Holcomb Bridge intersection improvements
- Crime Prevention Initiatives
- Town Center Upcoming Projects
- Curiosity Lab Autonomous Vehicle Test Track
- Re-development Efforts

“If you’ve ever driven on Spalding Drive between Winters Chapel Road and Holcomb Bridge Road during rush hour, you’ve probably experienced significant delays and extended wait times, said Councilmember Sadd. “At the town hall meeting, we will provide an overview of the Spalding Drive project and explain how it will help improve traffic flow and increase pedestrian safety.

“This project will bring incredible improvements to our city, and we want to provide our citizens an opportunity to understand the plans and ask questions. In addition, we will provide updates on other key activities taking place throughout our city.”

The Peachtree Corners mayor and council members, as well as other elected officials with common jurisdiction, will be in attendance to inform citizens of key matters impacting the community. The town hall meeting will include an open Q&A session, giving citizens an opportunity to voice concerns and ask questions of their local representatives.

The town hall meeting will be held in Peachtree Corners District 1, and is open to all citizens.
