FOR IMMEDIATE RELEASE

## Site Preparation of Former Fiserv Property to Begin Soon

**PEACHTREE CORNERS, GA, February 18, 2020** – Site preparation activities will soon get underway at the former Fiserv property. The 115-acre site, which was purchased last fall, is to be developed into a 55+ residential community.

The property is located on East Jones Bridge and was sold last fall to The Providence Group of Georgia for an age-restricted community development. The Suwanee, GA-based builder expects to have the first homes available for sale in the fourth quarter of this year.

The East Jones Bridge development will offer condominiums, townhomes and single-family homes for active adults. The community will consist of up to 916 mixed age-restricted residential units. Additionally, the development will include independent assisted living and memory care components. The gated community includes 4,000 feet of frontage along the Chattahoochee River.

For questions about the home development, contact Shaun Adams at 678-518-6855.
